VICTORIA KAHN & TANYA MILLETT

“I truly loved my experience of the Maccabiah games, the social and sporting aspect of it were so unique. Playing basketball against teams of such a high standard (division one, 6ft 6 girls!) was such a privilege and meeting people from all over the world was unbelievable. A highlight was definitely the opening ceremony; walking out into the Ramat Gan stadium with over 500 other athletes all representing Great Britain in such an exceptional competition was so thrilling. The stadium was full of Jews from all around the world and the atmosphere was incomparable. It was such a memorable experience and one which I will stay with me forever” **Victoria Kahn**

“The Maccabiah one of the most amazing experiences that I have ever had. The Maccabiah gave me the opportunity to play basketball and enjoy extravagant events where we would meet Jewish athletes from all across the world. It was certainly one of the highlights of my summer and I would seriously recommend anyone who has a love of sport to take up the opportunity of participating in the Maccabiah in four years time.” **Tanya Millett**
